SIDDHIPRIYA REALTORS

Suryoday Society Proposal:

We are looking for acquiring flats in a housing complex with modern amenities for our MIG friends and families at an affordable price near Palghar. We requested M/s. Siddhipriya Realtors to develop a customized housing scheme in Kelva to suit our requirements and future needs. M/s Siddhipriya Realtors have accordingly planned a scheme for our consideration.

About Siddhipriya Realtors:

The name Siddhipriya is derived from the names of **Shree Ganesha**. It means **Bestower of Wishes and Boons**. The most appropriate meaning for the Real Estate Development company which has taken the forte to provide homes for the affordable segment.

Shri. Kunal Sahani is the **Director** of **Siddhipriya Realtors**. They have been envisioning to take up an affordable housing township with an aim to provide a lifestyle community living in the affordable price range. With this noble aim they have decided to use their 8½ acres land parcels and four of such, for carrying out the affordable housing township.
